VERSE ONE

Heavy clouds are hanging from the sky.

I wonder why.

People run so fast, bury their heads, trying to stay dry.

PRE-CHORUS

That’s not me

I’m gonna open my arms

Just take a chance

And dance!

CHORUS

Barefoot through the rain.

Wet grass under my feet.

Feeling alive again.

So I dance!

Barefoot through the rain.

Warm mist on my skin.

Feeling myself again.

Barefoot through the rain.

VERSE TWO

I hear them say I must be insane.

So I ask again!

Why do they wait all their lives for the sun to shine?

PRE-CHORUS

That’s not me

I’m gonna open my arms

Just take a chance

And dance!

CHORUS

Barefoot through the rain.

Wet grass under my feet.

Feeling alive again.

So I dance!

Barefoot through the rain.

Warm mist on my skin.

Feeling myself again.

Barefoot through the rain.

BRIDGE

So I say it’s up to you

To you change your point of view.

The water is just fine.

The sun’s here. You can let it shine.

PRE-CHORUS

So join me

Open up your arms

Just take a chance

And dance!

CHORUS

Barefoot through the rain.

Wet grass under my feet.

Feeling alive again.

So I dance!

Barefoot through the rain.

Warm mist on my skin.

Feeling myself again.

Barefoot through the rain.
